

Universal Room

Universal Room is our largest meeting space, accommodating up to 130 people in a theater-style setup — ideal for conferences, conventions, and corporate presentations. It's the perfect choice for those seeking a bright, modern venue in the heart of Florence, directly across from Santa Maria Novella station.

Thanks to modular walls, you can customize the room size and layout to suit your needs. For added flexibility, separate rooms can also be used for breakout sessions, creating dedicated spaces for workshops or group activities.
